This issue about Illinois Lottery being won at the place of Old Mills Liquors, when I was there and never doing there Illinois Lottery, Old Mills Liquors, owes me money from the win, when I was there with Emanuel Bass. Also there's laws I need to use of Bank Book Same, Bank Book Checks, and of a bank to go to a bank when an court write to get money. That I need to find out more about these laws when you appoint a attorney but I also want him to write my my for civil at the same time this is the motion for civil that attached here and may be add some other laws of Debt Reduction and others. But look at the motion for civil attach and when a attorney is appointed for me make sure he can represent me on all my other cases. That also correct my case if there's a law called Zent that means \*2000 0000 amounts of money is involved, But when a attorney gets appointed I want him to get the video from Old Mills Liquor in Montgomery of the date of the win of the Lottery Millions, of when me and Emanuel Bass was there, there's laws of the Lottery that say that money is owed to me that I don't want to put in here, come and visit me. That was the attempt to get the name of Marilyn Ann or Stacy Morent, had something setup with the company called MetLife for a life insurance policy if she died and it had something in it about the Lottery

V. Relief:

State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.

*First I want to talk to the attorney that will be assigned for my motion for civil, other cases*
